

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation

Please, be respectful of our public airwaves and do not abuse them by airing the anti-Kerry documentary before this coming election. Doing so just proves the danger of media consolidation. I beg you, for our children's sake, to protect our freedoms by strengthening the ownership rules. Sinclair's actions in forcing the airing of the one sided program is a dangerous precedent. Protect us from large corporate control of our media. PLEASE!

Thank you,
